Effortless Performance Meets Refined Style

From early morning fitness classes to weekend coffee with friends, the Adapt Recycled Soft Knit Stripe Women's Quarter Zip Pullover is designed to move with you. We've taken one of your favorite Cutter & Buck essentials – the Adapt – and added a subtle and timeless stripe to bring a hint of style to your everyday pieces. Inspired by the changing landscapes of the beautiful Pacific Northwest, this versatile layer blends polished style with everyday comfort.

Crafted for the modern pace of life, this year-round essential pullover delivers warmth without bulk, making it an easy choice for layering. The brushed back fleece feels soft against your skin, while moisture-wicking performance keeps you comfortable whether you're navigating a busy day in the city or finding calm in nature. Subtle micro stripe detailing adds a level of sophistication that elevates your look while maintaining a timeless aesthetic.

Thoughtfully made with sustainability in mind, this piece reflects Cutter & Buck's commitment to responsible design. The recycled fabric blend not only reduces environmental impact but also offers gentle stretch for unrestricted movement—so you can stay focused on where the day takes you.
